DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Larry Brantley, Applicant's representative, on September 3, 2004.

The application has been amended as follows:

In the claims:

Claims 15-19 have been canceled.

Allowable Subject Matter

2. Claims 6-7, 13-14, 20-21, 27-30, 33-37, 40-44 are allowed. (renumbered as 1-20)

3. The following is an examiner's statement of reasons for allowance:

Applicant's argument regarding the 35 U.S.C 112, 2nd paragraph rejection have been considered and is persuasive. The 112 rejection to claims 13-14, 27-28 has been withdrawn.

Regarding independent claims 6, 13, 20, 27, 29, 30, 33, 40, the prior art of record does not particularly teach the combination of the claimed elements including "creation of maps linking chart identification numbers to the unique identification numbers

associated with the multiple source data elements, each map containing information identifying one of the linked multiple source data elements to generate the updated project management scheduling chart" as claimed. Dependent claims are allowed at least by virtue of their dependencies to the independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Khanh B. Pham whose telephone number is (703) 308-7299. The examiner can normally be reached on Monday through Friday 7:30am to 4:00pm.
